COUNCILMAN

G. H. WERNER
COUNCILMAN

A regular meeting of the Town Council was held on Monday, March 4, 1968, at 7:00 P.M. with the following attending: Mayor L.S. Griffin, Councilmen C.B. Bryan, A.R. Cureton, G.H. Werner, W.A. Parsons, J.R. Herd, and W.W. Norwood. Also present at the meeting were John Head, Fire Chief, and Marvin Evatt.

Mayor Griffin presided over the meeting. The minutes of the last meeting were read and approved.

John Head, Fire Chief, brought before the Council the request for more fire hose and a new nozzle for the Fire Trucks for the Fire Department. It was stated that this needed equipment could be purchased at a discount from the Piedmont Safety Supply Company. Councilman Herd made a motion, seconded by Councilman Bryan, to buy this hose and nozzle for the Fire Department. All the Council agreed.

After a lengthy discussion pertaining to the Taylor water line, Councilman Bryan made a motion, seconded by Councilman Cureton, that we build the Six (6) inch Water Line of 1,000 feet from Pepper Street with a fire nydrant at the end of the Six (6) inch line, and a Two (2) inch line from there up to the necessary point on the Patterson and Cureton property.

Due to the fact that, apparently, a right-of-way could not be secured by Mr. Taylor from the Cannon Mills Company, but the Cannon Mills Company would possibly allow the Town the right-of-way, the Council voted to build the sewerage line and all of the water lines and to hook on Mr. Taylor for the sum of $3,200.00 from Mr. Taylor.

Being no futher business, the meeting adjourned.
