Town of Central

CENTRAL, S. C.
July 1,1965

The Town Council met Thursday night, July 1,1965, with the following attending: Mayor W.C. Kelley, Councilmen G. D. O'Dell, W.J. Wilson, R.A. Busha, J.L. Martin, J.R. Herd, Jerry Lesley. Mrs. Maude Chapman, representing the Messenger paper was also present.

Mr. Colcott and Mr. Shulbred, Engineers of Harwood Beebee Co., Spartanburg, S.C., were present ~~xxxxi~~ and explained the proposed sewerage treatment plan for the town, which is needed in the near future. A lengthly discussion was held on this subject but no action taken.

Mayor Kelley stated that he had talked with Mr. Roy Jones, of the State Hwy. Dept. about repair on the curbing of the streets and thought that this would be done in the near future.

Councilmen Herd and Martin, Street Committee members, said they would check on the streets and find out which were in most need of repair and talk with Mr. Willis, County Supervisor about repair on these streets.

Councilman Herd mentioned that water ru ning from Martin's Esso Station should be turned in order for it not to run down the street in front of Cannon Church. Mr. Kelley said that he would talk with John about this matter.

Being no futher business the meeting adjourned.

W. Wayne C. Kelley
Mayor

Attest:

Elizabeth M. Phillips
Clerk& Treasurer
