September 9, 1957

Town of Central

MINUTES MINUTES

South Carolina

The regular monthly meeting of the Town Council was held Monday Sept. 9 at 7 P. M. with Mayor S. C. Carson, Councilmembers C. B. Bryan, J. Cleo Bolding, J. J. Canup, J. G. Center, F. E. Young and Police Chief N. M. Lawrence present.

The meeting was called to order and the minutes of the August meeting and the Special meeting were read. J. G. Center made a motion that the minutes be adopted, J. J. Canup 2nd the motion and the council voted unanimously.

Mr. Lawrence talked with the Council about Norris and other towns using our jail. He does not mind this and it has not been over-crowded but our laundry bill is getting pretty heavy. The Mayor stated that Norris would probably be willing to pay for the use of our jail. After some discussion J. Cleo Bolding moved that we charge $1.00 for each prisioner, plus all damages. J. J. Canup 2nd this motion and the council voted unanimously.

It was brought up that Mr. Campbell has been serving our town warrants and has not been receiving any cost. J. C. Bolding moved that we add cost to warrant if Mr. Campbell has to serve it, F. E. Young 2nd this motion, and the vote was unanimous.

A through discussion on our trash problem behind the stores followed. The Mayor appointed J. Cleo Bolding to see each merchant and try to work out something on this.

Mr. Bolding suggested that we let the Roach man clean up the Town some, but the Mayor said he did not know whether we were in a position to spend much right now. Our budget was figured and we did not include this sewer ejecter station, which will cost around $4,000.00. Duke Power is holding this up right now, but by next Council meeting we should know the cost. Then we have to couple the sewerage to the Housing Projects. All this will squeeze is pretty tight, but we have got to keep the Town clean, too.

An Ordinance pertaining to Sewer charge and the owner making all taps and running lines was read by the Council. J. J. Canup made the motion that we adopt this Ordinance, J. G. Center 2nd the motion and the vote was unanimous.

An Ordinance against horn blowing except in case of emergency was read by the Council. C. B. Bryan made a motion that we adopt this ordinance, F. E Young 2nd the motion and the Council voted unanimously.

The Council talked of a Curfer law. An attorney will be consulted about this

Our annual audit ends September 30, 1957. C. B. Bryan made a motion that we hire Mr. Whitmire, C. P. A. to audit our books, F. E. Young 2nd this motion and the Council voted unanimously.

A discussion on the road to slaughter pen was carried on. Mr. Willis with the County has promised to rework this road, Also Gaines Street where the pipe line was installed is in bad shape. He will get the Highway to see about this!

The meeting then adjourned.

S. C. Carson, Mayor
