The council members ask Mr. Perry to outline the various duties of these committies and Mr. Perry said he thought it best to wait until something came up and then the committie could straighten it out.

Street Lighting was then discussed.A light for Carson Circle and Dr. Bearden's were discussed and they are in very bad need of one. S. C. Carson moved that we have a light put up at these two places and J. W. Wallace seconded it. This was unanimous. It was also discussed about moving the light at R. A. Busha back to it's original place at the corner at Mrs. Floyd Montgomery house. The light is now in Busha's yard. J. W. Wallace moved that this light be placed in old position and T. A. Phillips 2nd the move. All agreed on this.

A Uniform for Mr. Gaines was discussed and the council members agreed that Mr. Gaines needed a uniform and ask that Mr. Perry go with Mr. Gaines to get it.
