January 9, 1969

A Special Call Meeting of the Town Council was held on Thursday, January 9, 1969 at 7:00 P. M. with the following attending: Mayor L. S. Griffin, Councilmen George Fowler, J. R. Herd, A. R. Cureton, W. W. Norwood, Herbert Thompson, Jr. and C. B. Bryan.

This Special Meeting was called for the purpose of meeting with a representative of the Harwood Beebe Company to discuss the proposed Sewerage Improvement Project. Mr. Bob Carroll, engineer, was present representing the Harwood Beebe Company. After presenting their views of the needs and the various ways that grants may be available and such phases of a proposed plan that would enter into the Project, Councilman Norwood made a motion, seconded by Councilman Fowler, that we enter into the agreement with the said Company to bring up-to-date the present improvement needs in the Sewerage System using the 1965 report, previously made by said Company, at a cost not to exceed $200.00.

Copies of the Financial Statements for the month of December, 1968 and the annual audit report, prepared by Marchant L. Lesley, Accountants, were handed to each Councilman. Brief discussions were made of these reports.

Being no further business, the Meeting adjourned.
