Administrator asked permission to reduce the scope of the water project in Woodland Circle;and to just loop the existing lines rather than to replace any lines. Motion by Porter, second by Gambrell and Sims to adopt. Vote unanimous.
Mayor's Report
The Mayor presented a letter from some 20 residents of the Gaines Street area requesting assistance with low water pressure problems.
Permission given for the Administrator to investigate looping a line from Woodson Street to Kennemore Street; and to do the work if the engineers thought it had merit. Also the Administrator was instructed to investigate the line along Gaines Street; get an engineer's study; and make recommendations on correcting the low pressure in that area.
