October 15, 1969

A Special Call Meeting of the Town Council was held on Wednesday, October 15, 1969 at 5:00 P. M. with the following attending: Mayor, L. S. Griffin, Councilmen C. B. Bryan, J. R. Herd, Herbert Thompson, Jr., A. R. Cureton, George Fowler and W. W. Norwood.

It had been reported that some of the residences or contractors had been using water before the water meters had been hooked on or the Tap-On-Fees paid, or the deposits put up on the water meters. After some discussion on this matter, Councilman Cureton made a motion, seconded by Councilman Fowler that hereafter the requirements be that the meter be installed and the deposit be put up at the time of a Water-Tap -On, when beginning the construction of a new building, and for the water consumed to be paid for while said building is under construction. This motion was unanimously adopted. No further business was transacted at this meeting.
