A special call Meeting of the Town Council was held on Thursday, November 9, 1967 at 7:00P.M. with the following attending: Mayor L.S. Griffin, Councilmen C.B. Bryan, A.R. Cureton, G.H. Werner, W.W. Norwood, J.R. Herd, and W.A. Parsons.

Mayor Griffin presided over the meeting.

The Council discussed the request of Garland Morrison for gasoline allowance for his personal car in connection with the Central Rescue Squad work. It was somewhat mutually agreed that it might not be wise to grant this request.

The water line running from Pepper Street to A. R. Cureton's corner was discussed. The Council agreed that we would build the 2 inch line with the plastic materials.

The 18 Mile Creek water line was futher discussed but no definite decision was made, other than to futher investigate the advisability of it.

The Red Tayler request regarding a water and sewage line was discussed, but no action was taken, due to the lack of more information needed from Mr. Tayler.

The committee on painting and improving the Town Hall reported the action that they had taken, and it was agreed that they proceed with the work of painting the Town Hall.

The request of James McAlister for the Dickerson Store property to be brought into Town Limits was discussed, but no action was taken on this matter.

Being no futher business the meeting adjourned,
