

"MAY"

Town of Central

South Carolina

MINUTES-----

At the regular monthly meeting of the Town Council of the Town of Central held Wednesday night May 3, 1950 at 7:00 M. M. were: J. A. Maulding, Mayor Proten, W. A. Gaines, Chief of Police, Furman Hopkins, R. A. Busha, Herman Sanders, and T. A. Phillips.

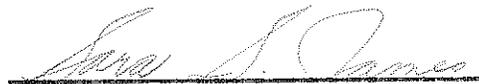

It was discussed about Laura Curren's house, whether she would get sewer or not. They are going to build a tank over there as soon as possible.

The tractor was discussed and brought up about selling it. T. A. Phillips moved that they sell it and F. W. Hopkins seconded the motion. So they put it in Mr. Gaines to sell at the highest price.

We had a letter from the Western Union about their license fee. Since there was ~~no such a~~ such a small income in Central the Council voted to do away with their license fee for this year.

After which the Council adjourned.

G. M. Perry, Mayor
