## MINUTES CALL COUNCIL MEETING JAN. 31, 1977

Present: Bolt, Hopkins, Kennemore, Holladdy & Bethea.

Second and final reading on Ordinance for the humane control and regulation of animals and for other purposes.

Motion by Thompson and second by Hopkins to accept Billy Joe Busha's resignation as received by the Mayor and Town Council to be effective as of this date. Reason councilman Busha gave for his resignation was that he didn't feel that with other obligations and responsibilities at the present time, he didn't feel that he could render justice to the Town by remaining on the council.

There was a first reading approval on an ordinance to create a special election May 10, 1977, that would fill the vacancy left by councilman Busha. Motion by Hopkins, seconded by Thompson to accept the ordinance on Special Election.

In reference to handling customers who had water line breaks and the high sewer surcharge the council voted to require the customer to pay for the water that went through the meter and take an average of their customers last three months sewerage surcharge bill and apply that as amount for sewer surcharge.

There being no further business the meeting adjourned.
