CALLED COUNCIL MEETING
October 1, 1976

Present: Thompson, Kennemore, Busha, Hopkins, Porter, Holladay, Bethea, Reeves & Langston.

Mayor Holladay presided as he described to Mr. Reeves and Langston the procedurer necessary for annexation and rezoning newly annexed property if applicable.

The council heard a request from Langston for annexation of an area called Spring Forest Development. See letter attached.

The council voted unanimously to agree with a recommendation of Central Planning Commission on the Spring Forest Development rezoning once the development is annexed into the Town.

The following agreement was reached concerning water and sewer lines in the development.

1. The Town would install water and sewer lines including manholes and fire hydrants in the trailer court area of the development.
2. The developer would install water and sewer lines, manholes, and fire hydrants on the remaining portion of the development under the supervision of John Head.
3. The Town would furnish water and sewer lines, manholes and fire hydrants for all installation.

Thompson made a motion that we accept the development into town with the stipulation set forth in the meeting, second by Hopkins, Council approved.

Langston will follow proper procedure for annexing property into town and rezoning that portion which is necessary.
