SPECIAL CALL MEETING NOV. 3, 1976 MINUTES

Present: Busha, Hopkins, Porter, Thompson, Holladay, & Bethea.

Minutes of Oct. 27th, 1976 meeting were approved as read.

Motion by Thompson, second by Hopkins that Porter and Busha look into the repair needed at park building.

Bethea stated that Weldon Day had requested that the county ambulance service be permitted to purchase gas from the Town's supply and be billed for it in a similar manner as the Central Rescue Squad. It was decided that further information be gathered on the situation before a decision was made.

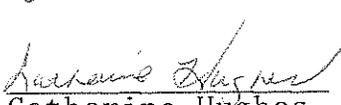

Then a lengthy discussion followed concerning the policy and procedure manual. After much discussion there was a motion by Thompson and second by Busha that the police department policies and procedures document which were adopted Oct. 27, 1976 be accepted as amended on this date Nov. 3, 1976, and that all police officers sign a statement that they had read the said policies and procedures document and are willing to abide by the policies and procedures to the best of their ability. Motion carried.

Ramsey Clayton appeared before the council representing The American Legion and other concerned citizens pertaining to the termination of Mike Perry. The mayor stated that there were sufficient grounds for termination.

There being no further business the council adjourned.
